2022 ANNUAL ACTION PLAN

AUGUST 2022

Original Version

CITY OF VICTORIA
DEVELOPMENT SERVICES – PLANNING DIVISION
P.O. BOX 1758
VICTORIA, TX 77902-1758
Executive Summary

AP-05 Executive Summary - 24 CFR 91.200(c), 91.220(b)

1. Introduction

The City of Victoria receives Community Development Block Grant (CDBG) program funds as an “entitlement” community from the U.S. Department of Housing and Urban Development (HUD). To receive its annual entitlement funds, the City must produce an Annual Action Plan each year. The Annual Action Plan describes the City’s planned activities for the coming program year, including proposed CDBG projects. The program year 2022 (PY22) begins October 1, 2022 and ends September 30, 2023. The program objectives of the CDBG program are achieved by providing: (a) decent housing; (b) a suitable living environment; and (c) expanded economic opportunities. Each funded project/program must meet one of the National Objectives: 1) Benefit low- to moderate-income persons; 2) Aid in the prevention or elimination of slums or blight; or 3) Meet a need having a particular urgency (referred to as urgent need). Using CDBG federal funds, the City plans to carry out the objectives based on the goals for the 2020-2024 Consolidated Plan and further set forth in this 2022 Annual Action Plan. The city works in partnership with nonprofit agencies as well as internally, to implement activities and projects to improve the quality of life in Victoria, through public services, infrastructure, and housing activities.

The City of Victoria will utilize 2022 CDBG funds totaling $576,506 to provide decent housing and suitable living environments for low- and moderate-income individuals in our community. These activities and the specific funding amounts for each will be summarized in the following pages.

2. Summarize the objectives and outcomes identified in the Plan

This could be a restatement of items, or a table listed elsewhere in the plan or a reference to another location. It may also contain any essential items from the housing and homeless needs assessment, the housing market analysis, or the strategic plan.

The City of Victoria’s 2020-2024 Consolidated Plan key objectives and priorities, and information gathered through consultations and the public participation process provides the basis for the programs and projects to be administered in the PY22 Annual Action Plan. Detailed project information can be found in AP35. These priorities reflect the policies and programs that will best meet the needs within the city, and are listed as follows: 1) Administration 2) Housing, 3) Homelessness, 4) Public Facilities, 5) Public Services and 6) Neighborhood Programs The housing needs in Victoria are the development of affordable housing (ownership and rental); housing repairs for low- to moderate income homeowners including accessibility improvements to allow older homeowners the ability to “age in place;” and affordable rental units for low-income renters through development of new multifamily properties. The city will continue to support and participate in the Victoria Homeless Coalition’s planning process in an effort to expand homeless services and shelter/housing. The City will support the social service agencies providing services to those experiencing homelessness when funds are available, and projects are financially feasible. Non-Housing
Community Development is the focus of public facilities. The need for funding to improve or develop public facilities, both City-owned and privately owned, was identified in the 2020-2024 Consolidated Plan. The City will provide the opportunity for a competitive grant process, or a City Council directed process to fund eligible public facility projects. The need for continued and increased supportive services for low- to-moderate income persons including elderly services, special needs populations such as those with mental illness, HIV/AIDS, substance use disorders, emergency housing assistance programs, transportation assistance and food assistance is clearly identified in the 2020-2024 Consolidated Plan and expressed in meetings with stakeholders and comments from the general public. The City will continue to provide a competitive grant process, or a City Council directed process to fund eligible supportive service activities and agencies. The City will continue to plan, monitor, and administer the HUD Entitlement Grant Programs and Fair Housing programs to ensure compliance with Federal Regulations.

3. Evaluation of past performance

This is an evaluation of past performance that helped lead the grantee to choose its goals or projects.

This is an evaluation of past performance that helped lead the grantee to choose its goals or projects.

This is an evaluation of past performance that helped lead the grantee to choose its goals or projects. All projects included in the Annual Action Plan and projects funded during the past year have met a High Priority Needs. The city has complied with its adopted Citizen’s Participation Plan during the Annual Action Plan process and last year’s end-of-the-year report, the CAPER. The City expended CDBG funds in a timely manner in accordance with HUD regulations. On an annual basis, HUD reviews the performance of all entitlement recipients to determine whether each recipient is carrying out its CDBG assisted activities in a timely manner. If sixty days prior to the end of the grantee’s current program year, the amount of grant funds available to the recipient under grant agreements but distributed by the U.S. Treasury is more than 1.5 times the entitlement grant amount for its current program year the grantee is considered to be noncompliant with HUD requirements. The city has met and is currently below the statutory timeliness expenditure ratio of 1.5 – ahead of the August 2, 2022 test date. The 2021 Annual Action Plan continued to move toward projects and programs that will improve the quality of life for a larger portion of our community, instead of a direct housing focus. After a review of community needs for the 2020-2024 Consolidated Plan and HUD’s definition of prioritization, the City of Victoria has determined that, while housing rehabilitation is a need in the community and an eligible expense of CDBG funds, it has become a lower priority in Victoria. The City of Victoria will focus its CDBG funds for community development and public services due to reduced budgets and costs associated with rehabilitation as well as there being other grant opportunities for housing rehabilitation. The 2021-2022 Annual Action Plan was the second annual action plan under the 2020-2024 Consolidated Plan and continues to reflect the change in focus. The proposed activities address several community needs and issues that may not have been adequately addressed in previous years. Activities for the 2021 Program Year were developed to address the goals and objectives from the 2020-2024 Consolidated Plan. The City did not exceed the program limits for
public service funding (15%) or for program administration spending (20%) for the 2021 Annual Action Plan. All financial reports have been submitted as required.

4. Summary of Citizen Participation Process and consultation process

Summary from citizen participation section of plan.

Summary from citizen participation section of plan.

To encourage the continuing involvement of citizens in the HUD-sponsored programs administered by the City of Victoria, the City will continue to communicate openly about CDBG and other HUD programs with its partners and with the public as outlined in the Citizen Participation Plan. Throughout the one-year period covered by this plan, the City held public meetings on Public Service and Public Facility funding and consultations to encourage citizen participation in the development of the annual Action Plan, proposed programs and to evaluate the City’s performance during the previous program year. These meetings represent opportunities for the public to be involved in housing and community development activities in the City of Victoria.

A Citizen Participation Plan is a required part of the consolidated planning process (24 CFR 91.105). Although the regulations do not require a formal structure for citizen participation, they do state that citizens shall be involved in the prioritizing and planning of Community Development Block Grant (CDBG) activities. In an effort to permit public examination and to enhance public accountability, the City of Victoria will make the following information available to citizens, public agencies and other interested parties upon request.

The City Manager’s Reports, PSA workshop, one-on-one consultations, public meetings, and public hearings are tools to obtain citizen participation for the needs, objectives, and goals to determine the 3rd year Annual Action Plan. Those priorities of the goals are translated into the goals for the 2022-2023 Annual Action Plan. In preparation for the 2022-2023 Annual Action Plan, the City involved residents and stakeholders to the greatest extent possible through various meetings.

The City will conduct all of its Community Development activities to encourage ample citizen participation in the CDBG program.

5. Summary of public comments

This could be a brief narrative summary or reference an attached document from the Citizen Participation section of the Con Plan.

No formal written public comments were received during the 30-day Action Plan comment period, July 1-31, 2022. The City received on public comment during the public hearing held during the August 2, 2022 City Council meeting. Captain Kenny Jones spoke during the public hearing for the recommend of approval
of the City’s 2022 Annual Action Plan. Captain Jones is the Executive Director of the local Salvation Army and one of this year’s public facilities’ subrecipient. Captain Jones wanted to thank the Development Service Director, Julie Fulgham and Planning Manager, Celeste Menchaca for their continued assistance when it came to the application process for subrecipients to request funding. He also stated he supported the 2022 Annual Action Plan and was looking forward to his continued work with the City.

6. Summary of comments or views not accepted and the reasons for not accepting them

The City accepts all comments and views presented. Comments related to the CDBG program are reviewed and responded to by City staff as quickly as possible. Comments received by CDBG staff related to other matters of the City are referred to the appropriate department.

7. Summary

The City has utilized the CDBG funds to improve the quality of life, housing, and neighborhoods for its low-to moderate-income residents. Detailed descriptions of the funded activities can be found at AP-35. During PY22, the City’s CDBG program will fund the following projects: Public Services: Boys and Girls Club of Victoria: Boys & Girls Club of Victoria: Power Hour/Summer Camp [$10,000]; Community Action Committee of Victoria: Senior Citizens Care Program [$8,000]; Community Action Committee of Victoria: Meals on Wheels [$8,000]; CASA [$8,000]; Food Bank of Golden Crescent: Kid’s weekend Meals Program [$14,000]; Meals on Wheel Victoria: Home Delivered Meals Senior Citizens and/or Disabled [$8,000]; Gulf Bend Wellness Center [$20,000]; United Way-Community Connections [$10,000].Public Facilities: Boys & Girls Club- Office Renovations [$12,800]; Gulf Bend Mental Health Clinic-Renovation [$160,000]; Victoria Housing Authority-Exterior weatherization and painting [$95,000]; Salvation Army-Dorm Improvements [$12,215]; YMCA-Childcare center expansion [$45,464].
PR-05 Lead & Responsible Agencies – 91.200(b)

1. Agency/entity responsible for preparing/administering the Consolidated Plan

Describe the agency/entity responsible for preparing the Consolidated Plan and those responsible for administration of each grant program and funding source.

Table 1 – Responsible Agencies

Narrative (optional)

The Victoria City Council is the governing body for the City of Victoria, with the City Manager or his designee to act on behalf of the Council in matters pertaining to the CDBG Entitlement Program.

The City of Victoria’s Development Services Department - Planning Division prepares the Annual Action Plan and provides the oversight and administration of the CDBG program. The staff of this Division provide leadership and technical assistance to the City’s other departments and non-profit organizations that are selected to receive CDBG funding (subrecipients). The City’s Finance Department is responsible for processing the IDIS draws, preparing financial reports, and ensuring grant funds are balanced between the City’s system and the IDIS system. For City projects, such as park or sidewalk improvements, a project manager is designated from the Parks and/or Public Works department in the overseeing of the project. The Project Manager provides oversight of the construction work, monitors progress, and reviews and approves all payment requests before they are submitted to the CDBG staff for processing and approval. Other Departments that have supporting roles in the CDBG administration include the City Manager’s Office, Planning, Development Center, GIS, Legal, and Purchasing Departments.

AP-10 Consultation – 91.100, 91.200(b), 91.215(l)

1. Introduction

The City of Victoria’s (City) 2022 Annual Action Plan was developed in accordance with the City’s Citizen Participation Plan. This plan describes community needs, resources, priorities, and proposed activities to be implemented utilizing CDBG funds. Community Representatives (the general public), Victoria Housing Authority, Victoria Area Homeless Coalition, Texas Homeless Network, public and social service agencies, elected and appointed officials, and City staff provided input for HUD funding through on-going consultations and collaborations.

The required 30-day public review comment period for the proposed Annual Action Plan was from July 1, 2022 to July 31, 2022. Additionally, efforts were made to integrate existing community plans such as the Texas Balance of State Continuum of Care (TX BoS CoC), which addresses homeless issues, and the City of Victoria Comprehensive Plan, which is a master plan dealing with all aspects of city government. Regional plans from agencies such as the Golden Crescent Regional Area Agency on Aging and Victoria Public Housing were taken into consideration when developing this Plan. The schedule of Citizen Participation is located in Section PR-15. In order to encourage the continuing involvement of citizens in the HUD-sponsored programs administered by the City of Victoria, the City will continue to communicate openly about CDBG and other HUD programs with its partners and with the public as outlined in the Citizen Participation Plan. Throughout the five-year period covered by this plan, the City will sponsor public meetings to encourage citizen participation in: 1.) the development of annual Action Plans, 2.) the City’s proposed programs; and 3.) to evaluate the city's performance during the previous program year. These meetings represent opportunities for the public to be involved in housing and community development activities in the City of Victoria.

Provide a concise summary of the jurisdiction’s activities to enhance coordination between public and assisted housing providers and private and governmental health, mental health, and service agencies (91.215(l))

The City continues to pursue and maintain relationships with key community stakeholders and leaders in Victoria. Through public hearings and stakeholder meetings held throughout the year, the City continues to utilize a network of contacts, referrals, and partnerships to implement the strategies outlined in the 2020-2024 Consolidated Plan as re-enforced in this Action Plan. The City will continue to build its relationship with local housing and service providers and the Housing Authority to ensure that the current limited housing resources are utilized in the most efficient manner possible and to meet the housing needs of extremely low-, very low-, and low-income renters.

Describe coordination with the Continuum of Care and efforts to address the needs of homeless persons (particularly chronically homeless individuals and families, families with children, veterans, and unaccompanied youth) and persons at risk of homelessness.
The City of Victoria and The Victoria County Homeless Coalition participates in the Texas Balance of State Continuum of Care that is managed by the Texas Homeless Network. The local homeless coalition meets for planning and updates on homelessness in the city and county. The Texas Homeless Network provides data from the Homeless Management Information System, (HMIS), Point-In-Time Count (PIT), the Housing Inventory County, and the Annual Homeless Assessment Report (AHAR) for planning and information purposes. This information is utilized to assist in determining the nature and extent of homelessness in Victoria and identifying potential projects that will eliminate gaps in housing and services. The Victoria County Homeless Coalition holds regular meetings to discuss and strategize on ways to meet the needs of those experiencing homelessness. The City’s CDBG Planner and other City Staff representatives are active in the coalition.

Describe consultation with the Continuum(s) of Care that serves the jurisdiction's area in determining how to allocate ESG funds, develop performance standards for and evaluate outcomes of projects and activities assisted by ESG funds, and develop funding, policies and procedures for the operation and administration of HMIS

The City of Victoria does not receive ESG funds directly. Mid-Coast Family Services (MCFS) is the lead agency who administers CoC funding. The City works closely with the agency and other agencies serving homeless persons, and the needs of individuals and families experiencing homelessness.

Emergency Shelter Grant (ESG) funded programs have played a significant role in reducing the number of individuals/families who become homeless, by funding preventative programs in the CoC. Texas Homeless Network serves as the lead, HMIS administrator and the collaborative applicant for the HUD (CoC) Balance of State. Texas Homeless Network, in collaboration with MCFS, has established a very close inter-agency collaboration to ensure that homeless persons are linked to services best suited for their needs. In grant collaboration, MCFS has collaborated with Community Action Committee of Victoria to apply for the maximum additional ESG funding available to the CoC. The ESG funds are for homeless prevention utilized through stabilization, domestic violence, and rapid re-housing of homeless persons. The allocation of the ESG funds will provide 50% to homeless prevention, 30% shelter, 10% to street outreach and 10% for Housing Management Information System (HMIS) support. Recently Community Action Committee was approved to begin using the HMIS system. The performance standards, that are in place for the ESG funding, are the Federal Best Practices with the evaluation of outcome completed through the follow-up with clients quarterly and semi-annually and assess the service satisfaction. The Policy and Procedure guidelines will be the Board of Directors guidance bringing their expertise from all fields and one Board position, which is held by a formerly homeless person.

2. Describe Agencies, groups, organizations, and others who participated in the process and describe the jurisdiction’s consultations with housing, social service agencies and other entities

| **Briefly describe how the Agency/Group/Organization was consulted. What are the anticipated outcomes of the consultation or areas for improved coordination?** | VCLTRG collaborates with local, regional, state & national partners to share information & resources that can help address the unmet needs of individual homeowners, renters, non-profits, faith-based organizations affected by local disasters. Consultation can help educate city leaders on the service delivery model of its local Long Term Recovery Group. Future collaboration will help leverage funding, materials, and manpower. Designated city employee representative on Unmet Needs Committee to hear local case presentations and have ability to authorize funding for unmet needs presented by disaster case manager. The City reached initially reached out to the agency with a survey by email. If the agency did not respond within the 2-week time frame the City sent an additional email. After receiving the agency response the City followed-up with an a telephone call to see if additional information wanted to be added to their responses. The City feels working with this agency will help improve the coordination during times of natural disasters and/or pandemics. |

<th>Briefly describe how the Agency/Group/Organization was consulted. What are the anticipated outcomes of the consultation or areas for improved coordination?</th>
<th>Substance Use and Occurring Psychiatric Disorder Treatment, Substance Use Disorder Detox and Residential Treatment Needs Billy T Cattan Recovery Outreach provides substance use and co-occurring psychiatric disorder treatment and plays vital part in helping individuals in our community get on track to a healthier lifestyle. Substance abuse in rural and urban areas is a major public health concern. Untreated substance abuse presents problems to individual health and well-being, as well as the health and well-being of the broader community. Substance abuse is a complex problem with devastating and lasting effects across the lifespan. It strains our families; it ravages our communities and threatens the well-being of our entire state. Substance misuse and substance use disorders directly affect millions of Texans every year, causing motor vehicle crashes, crimes, injuries, reduced quality of life, impaired health, and far too many deaths. Embedding treatment and recovery services into the larger health care system will increase access to care, improve quality of services, and produce improved outcomes for countless Texans. Evidence-based treatment programs can have a benefit of more than $58 for every dollar spent; and studies show that every dollar spent on substance use disorder treatment saves $4 in health care costs and $7 in criminal justice costs. The City reached initially reached out to the agency with a survey by email. If the agency did not respond within the 2-week time frame the City sent an additional email. After receiving the agency response the City followed-up with an a telephone call to see if additional information wanted to be added to their responses. The City feels working with this agency will help the improve the coordination with those who suffer from mental health and subsistence abuse problems. This is presenting it to be a growing need in the community. Once the center becomes fully established the City feels the continued collaboration will help the city develop projects and programs addressing this need.</th>

|                              | Homelessness Strategy  
|                              | Anti-poverty Strategy  
| **Briefly describe how the Agency/Group/Organization was consulted. What are the anticipated outcomes of the consultation or areas for improved coordination?** | We anticipate that our on-going collaboration will continue. We value the openness of the process and the willingness of staff in the planning department to help us navigate applications and reimbursement requirements. We are hopeful that more funding will come into our community, as we are witnessing a rising number of households who are on the verge of losing their housing and becoming homeless. The City reached initially reached out to the agency with a survey by email. If the agency did not respond within the 2-week time frame the City sent an additional email. After receiving the agency response the City followed-up with an a telephone call to see if additional information wanted to be added to their responses. The City hopes to continue its collaboration with Mid-Coast to meet the needs of their citizens. Mid-Coast did not apply for funding this year as they are still undertaking projects and programs utilizing funding received during COVID-19, but City will keep the line of communication open should they need assistance in the future.

<td>Our Community Navigators are working to connect individual in crisis, homeless, elderly, disabled, with community resources that can help them get out of crisis and maintain stability. We would love future collaboration on projects and programs benefiting those in our community who are at-risk of homelessness or on the edge of cyclical poverty. We appreciate the efforts the city has made to lure affordable housing to our area but that is just the beginning of needed improvements to current public housing facilities and expanded availability are needed. Continued rental and utility assistance is desperately needed as the effects of COVID are still being felt. The City reached initially reached out to the agency with a survey by email. If the agency did not respond within the 2-week time frame the City sent an additional email. After receiving the agency response the City followed-up with an a telephone call to see if additional information wanted to be added to their responses. The City has not collaborated with the United Way in past directly, but this year the United Way is one of its Subrecipients and will be undertaking a public service program. The City is hoping this collaboration will address the need of reaching more homeless individuals and extremely low income individuals by connecting them to services they may have not know existed in the past. The United Way will be utilizing community health workers to be at local events, soup kitchens, etc. to be available to help those who may need assistance finding services.</td>

<td>The YMCA offers programs in three focus areas, Youth Development, Healthy Living and Social Responsibility. We offer programs from birth to active older adults and the full social economic range that target community needs and enhance the well-being of each individual, the family and the community. The YMCA has offered a wide range of Childcare options to the community and will continue to do so. With our current ask for funds we are hoping to expand our Early Learning Center to accept more kids. By doing this we are able to help the most vulnerable with childcare. The City reached initially reached out to the agency with a survey by email. If the agency did not respond within the 2-week time frame the City sent an additional email. After receiving the agency response the City followed-up with an a telephone call to see if additional information wanted to be added to their responses. The City anticipates this collaboration will assist in bringing more affordable child care services for low- to moderate-income families. The City has granted the YMCA a facility grant to expand its child care services by adding an additional classroom. The YMCA is located in a CDBG Block Group which is in need of more child care facility that are affordable to low- to moderate income families by adding an additional class the YMCA hopes to bridge that gap.</td>

<td>They provide nutrition, socialization, and transportation services to those 60 and older and disabled adults of any age. Our services help seniors combat hunger and allows ageing in place in in their homes. Our agency needs funding for meals, infrastructure investments allow us to serve meals, including dinning spaces, kitchen equipment, deliveries, and vehicles. Services for older adults are woefully underfunded. Meals on Wheels has been a past sub-recipient of PSA Funding and has attended PSA workshops and were sent a survey via email. The City continues to fund Meals on Wheels Victoria realizing the need for funding for adult meal services.</td>

<td>The mission of the Boys &amp; Girls Club of Victoria is to Enable all young people, especially those that need us the most, to reach their full potential as productive, caring, responsible citizens. The Boys &amp; Girls Club of Victoria has been a mainstay in the community for 52 years. Many of our beneficiaries have gone on to become productive and contributing members of society. Without the services offered by the Boys &amp; Girls Club, many of the area’s youth would be without adequate and affordable after-school programs during the most critical part of the evening and summer months. The Boys &amp; Girls Club of Victoria targets low-income and at-risk youth but is open to all youth between the ages of 6-18 for our afterschool program regardless of income level. The After School Program is facilitated August-May, 3pm-7pm, Monday-Friday. BGC Victoria Summer Camp focuses on youth between the ages of 6-15, Monday-Friday, 7:30am-5:30pm, June-August. The Boys and Girls Club of Victoria were invited to the City’s PSA workshop and were also sent a survey via email. The Boys and Girls Club of Victoria has been a past sub-recipient of Public Facility funding and PSA funding. The City anticipates the continued support for the Boys and Girls Club Programs and Services, will enable them to continually offer quality and Evidence Based Programs at an affordable cost.</td>

Briefly describe how the Agency/Group/Organization was consulted. What are the anticipated outcomes of the consultation or areas for improved coordination?

The staff emailed a survey to Jail and did a follow-up phone call to the jail to try to improve the collaboration between the City’s CDBG department and County Jail. The City is anticipating building a better relationship with the jail in order to gain better data in regard to what happens to inmates who are being released from jail who may be homeless or have mental health issues. Currently, there are no plans or strategies in place that particularly help those individuals released from jail when they are homeless or suffering from mental health issues. If we improve coordination between both the City and Jail we may be able to help bridge the gap by providing the jail with contact information for programs and agencies who can assist inmates with returning back to the community.

Identify any Agency Types not consulted and provide rationale for not consulting

The City sent out Community Surveys to our local non-profit agencies, community organizations, other local government agencies, utility providers (including broadband providers), emergency management, flood plain administrators, and past subrecipients via email twice within a 30-day period in order to gain input from all types of agencies.

Attempts were made to reach out to all agencies.

Table 3 – Other local / regional / federal planning efforts

**Narrative (optional)**

The City also consulted and coordinated with Spark light and new broadband service providers coming into the City of Victoria as a result as the City's Broadband Survey conducted last September of 2021. The City spoke with Bill Reynolds, Senior Regional Engineer for the Spark light. The
City discussed the new fiber broadband shelters they were developing within the City to begin their 3 phase project of laying broadband fiber lines through out the City. The City anticipates with Spark light coming into the City it will help bridge some of the broadband gap amongst the City and it citizens. Having an additional service provider will hopefully allow competition and bring in competitive more affordable prices to the citizens versus having a single provider who dictates the pricing and can continue to raise the price as they were the only provider at the time. The City did attempt to put the consultation information with Spark light in the above table, but kept receiving an error message when entering the information, to ensure it was included in the plan it has been added to this narrative.

Coordinated community, housing, and supportive services are provided through partnerships with government and quasi-governmental agencies, as well as respective planning efforts, such as those between the City and the Texas Homeless Network’s Balance of State Continuum of Care (Tx BoS CoC) program to address homeless needs. The City works in collaboration with the Victoria Metropolitan Planning Organization, the Victoria Public Works Department, and the Victoria Parks and Recreation Department on implementing infrastructure improvements and park lighting projects to improve the lives of Victoria residents. The City of Victoria will continue to encourage building partnerships between governments, lenders, builders, developers, real estate professionals, and advocates for low-income persons. The City of Victoria will continue to work with the building industry, banking industry, real estate industry, social service providers, and other community groups to promote the development of affordable housing and related services.
AP-12 Participation – 91.105, 91.200(c)

1. Summary of citizen participation process/Efforts made to broaden citizen participation
Summarize citizen participation process and how it impacted goal-setting

The summarization of all citizen participation processes is exhibited described in the following. The City of Victoria has membership in the Victoria Area Homeless Coalition (VAHC). A description of the Consolidated Plan is to identify the needs, describe the priorities and strategies and to report specific demographics for the City of Victoria. The Public Service Agency and Public Facility workshop was held on March 22, 2022. The information presented gave the needed exposure to agencies that are not current recipients of CDBG funding. The at-risk homeless and homeless supportive services and facilities were identified in the Consolidated Plan as a high need and continue to be identified as a goal for the City of Victoria. Consultations were held with providers throughout the program year and individually during the year. Information was provided to the Victoria Area Homeless Coalition (VAHC) during the March 31, 2022, meeting to discuss proposed 2022 Annual Action Plan and announce the recommended CDBG 2022-2023 funding. On August 2, 2022, the final Public Hearing and resolution to adopt the CDBG Annual Action Plan was held for the formal adoption of the funding allocations. During the 30-day comment period, the draft plan was available for review at the Planning Department, Library and posted on the City of Victoria’s website for viewing and comments. All City Council meetings are televised, available via link on the City’s website, and aired on the cable access channel. Requests for accommodations or interpretive services must be made to the City Secretary’s office 48-hours prior to the City Council meeting. The City of Victoria also has Televi15ion that show all Planning Commission, City Council, and the Parks Commission meetings. Also available is two (2) YouTube on demand video channels that show all Public meetings and the second shows all City Council meetings. All the City Manager’s Reports, workshop, one-on-one consultations, public meetings, and the public hearing are tools to obtain citizen participation for the needs, objectives, and goals to determine the third year Annual Action Plan. Those priorities, then translated into the goals for the 2022-2023 Annual Action Plan.

1. Captain Kenny Jones spoke during the public hearing for the recommend of approval of the City’s 2022 Annual Action Plan. Captain Jones is the Executive Director of the local Salvation Army and one of this year’s public facilities’ subrecipient. He also stated he wanted to thank the Development Service Director, Julie Fulgham and Planning Manager, Celeste Menchaca for their continued assistance when it came to the application process for subrecipients to request funding. All comments were accepted.
supported the 2022 Annual Action Plan and was looking forward to his continued work with the City.

Table 4 – Citizen Participation Outreach
Expected Resources

AP-15 Expected Resources – 91.220(c)(1,2)

Introduction

This year the City is anticipating an increase in funding from HUD. The City is anticipating receiving $576,506.00 in CDBG allocations for the 2022 Annual Action Plan program year. These funds will be used over Program Year 2022 and possibly subsequent program years should funds be available. The City of Victoria will use these funds on CDBG eligible activities consistent with the goals and objectives identified in their 2020 – 2024 ConPlan. The CDBG funds will be used for housing and community development activities including, but not limited to administration, neighborhood programs, public services, public facilities, affordable housing, public improvements, and public infrastructure. The City does not
anticipate becoming an entitlement community for HOME, ESG, or additional funding during the next five years.

</table>

**Table 5 - Expected Resources – Priority Table**

Explain how federal funds will leverage those additional resources (private, state, and local funds), including a description of how matching requirements will be satisfied

The City of Victoria currently does not have a match requirement. The nonprofit organizations funded have additional financial capacity through foundations and fundraising campaigns. Federal funds provide these organizations with the opportunity to expand their services to benefit more low- and moderate-income persons.
If appropriate, describe publicly owned land or property located within the jurisdiction that may be used to address the needs identified in the plan

The City owns land and property within its jurisdiction, which was acquired by the City’s 1998 Flood Buyout program. Most of the property is located with the City’s Southside and all are within the City’s Floodplain. Based on the restrictions of the deeds, new home structures cannot be built on the property, however, the land could possibly be used as a park and/or recreational space. The community has expressed a need for a park and/or recreation space in City’s Southside. The City is conducting research and exploring the idea of using buyout properties as a potential location for recreational opportunities within the next five-years. This future project would be used to help address one of the needs identified in the ConPlan.

Discussion

The City owns land and property within its jurisdiction, which was acquired by the City’s 1998 Flood Buyout program. Most of the property is located with the City’s Southside and all are within the City’s Floodplain. Based on the restrictions of the deeds, new home structures cannot be built on the property, however, the land could possibly be used as a park and/or recreational space. The community has expressed a need for a park and/or recreation space in City’s Southside. The City is conducting research and exploring the idea of using buyout properties as a potential location for recreational opportunities within the next five-years. This future project would be used to help address one of the needs identified in the ConPlan.

Projects

AP-35 Projects – 91.220(d)

Introduction

The following programs were recommended by Staff to City Council for funding for the 2022 Annual Action Plan that runs from October 1, 2022 to September 30, 2023. Staff first presented their recommendations to Council on June 7, 2022. Council agreed with Staff recommendations and gave the go ahead to move forward with the projects to placed in the 2022 Annual Action Plan. Staff asked for Council's final approval on August 2, 2022 at their regularly scheduled meeting. Council approved and the final recommendation and gave Staff the approval to submit to HUD for approval.

Table 7 - Project Information

Describe the reasons for allocation priorities and any obstacles to addressing underserved needs

The City has made allocations for PY 2022 based upon the priorities set forth in the 2020-2024 Consolidated Plan, citizen and community input, qualified applications for 2022-2023 Public Service Agency/Public Facility Funding, an analysis of prior years’ budget and expenditures, and City Council direction. Additional factors that contributed to targeting funds to specific activities are: 1) The stated
needs, analysis, and objectives in the 2020-2024 Consolidated Plan, 2) Priorities stated in each program's solicitation and award guidelines, 3) Compliance with HUD’s CDBG Entitlement grants.

The City will continue to collaborate with regional organizations such as, the TX BoS CoC and other organizations in the Victoria area, to meet the needs of the community through its planned activities included in the 2022 Annual Action Plan and concerning homeless assistance, special needs services, community development, and public improvements.

### Needs Addressed
- Public Facilities Improvements
- Mental Health & Wellness Services

### Funding
- CDBG: $160,000

### Description
This public facility project will renovate Gulf Bend's existing mental health clinic and help expand their facility to help those individuals dealing with mental and physical disabilities.

### Target Date
9/30/2023

### Estimate the number and type of families that will benefit from the proposed activities
Will assist approximately 100 mentally and physically disabled individuals throughout a year's time once renovations are completed.

### Location Description
6502 Nursey Drive, Suite 100, Victoria, TX 77904

### Planned Activities
To renovate their existing mental health clinic to assist them in becoming a Certified Community Behavioral Health Clinic as well as provide extended services to provide behavioral health and intellectual and development disability services once renovations are completed.

### Project Name
Public Facility: Salvation Army Dorm Improvements

### Target Area
Low to Moderate Income Census Block Groups in the City of Victoria

### Goals Supported
Public Facility Rehabilitation and Development

### Needs Addressed
Homeless & At-Risk Homeless Prevention Services

### Funding
- CDBG: $12,215

### Description
This public facility project will renovate the dorm area of the facility with fire retardant bedding, bed rails, and shower upgrades.

### Target Date
9/30/2023

### Estimate the number and type of families that will benefit from the proposed activities
The center will approximately serve 18 homeless men nightly.

### Location Description
1302 N. Louis Street, Victoria, TX 77901

### Planned Activities
This project is for the renovation of Salvation Army located at 4303 N Navarro Street. The space will approximately serve 18-20 individuals nightly. The total project cost is approximately

Table 8 - Geographic Distribution

**Rationale for the priorities for allocating investments geographically**

During the course of the five planning years from 2020 through 2024, the City of Victoria intends on distributing CDBG funds throughout the City based on a variety of factors including, the level of need, the capacity to meet needs, and to remain in compliance with HUD rules and regulations on area boundaries. Therefore, funds will be available citywide, although may be targeted to areas of high need during subsequent plan years. A map of LMI areas is included below.

Table 10 - One Year Goals for Affordable Housing by Support Type

Discussion

The City is going to focus $10,000, on housing programs as described in Section AP-38. The City’s program meets the Affordable Housing definition at 24 CFR 92.254(e) Qualification as affordable housing: Providing homeownership assistance through lenders. The City plans to provide homeownership assistance through for-profit or nonprofit lending institutions that provide the first mortgage loan to a low-income family. The City’s program will be formatted with a written agreement between the City and the lender with a specified amount of assistance being provided to assist the family and the conditions that apply to the homeowner assistance program. The City will verify the family receiving is low-income and inspect the housing for compliance with property standards. The City will ensure in fees and/or other amounts charged to the family receiving assistant are reasonable.
AP-60 Public Housing – 91.220(h)

Introduction

Victoria Housing Authority (VHA) is a corporation created for the purpose of administering federal housing programs for low-income persons. The operations of the VHA are funded through annual appropriations provided by U.S. Department of Housing and Urban Development (HUD). The VHA operates under a HUD approved Five-Year Capital Fund Program and subsequent annual action plans. The VHA operates 321 public housing units within nine complexes, which are located in various parts of the City of Victoria. The Housing Authority is not able to increase the number of Public Housing units, as these are set by the Faircloth Limit. There are currently 71 households on the VHA waiting list for public housing units. The number of applicants currently waiting on units are 40 for a 1-bedroom, 26 for a 2-bedroom, 5 for a 3-bedroom and 0 for a 4-bedroom. Those waiting for 1-bedroom units have the most difficulty in finding available units on the market. The VHA administers 347 Section 8 Tenant Based Rental Assistance vouchers (First Choice), which allow low-income persons to rent privately owned houses or apartments dispersed throughout the community. There are currently 161 households on the waiting list for Section 8 vouchers. The waiting list for Section 8 vouchers is currently open and still accepting applicants. VHA does not receive local funding and operates independent of the City of Victoria. It is overseen by a Board of Commissioners, a five-member board that provides governance and administrative control of the VHA’s programs. Currently, the VHA does not have a Resident Advisory Board. In addition to public housing and Section 8 programs, the VHA also administers other special housing programs designed to assist specific demographic groups, such as persons who are senior and/or persons with disabilities. The Victoria Housing Authority also has two non-profit housing corporations, which own and operate affordable apartment units. The Victoria Affordable Housing Corporation owns the Landing Apartments and has 35 units that operate under an affordable housing program; the remaining 65 units there are at market rate. The Victoria Affordable Housing Corporation #2 (VACHC2) owns the Thomas Hinke Senior Village which consists of 80 units that are run under the tax credit program. VACHC2 also owns the North Street Apartments which consist of 12 units that are affordable rental rates.

Actions planned during the next year to address the needs to public housing

Based on the Annual PAH Plan 2022, VHA is planning to undertake the following new activities: Mixed Finance Modernization or Development, Demolition and/or disposition, Designated Housing for Elderly and/or Disabled Families, Conversion of Public Housing to Tenant-Based Assistance, Conversion of Public Housing to Project-Based Assistance under RAD, Occupancy by Over-Income Families, Occupancy by Police Officers, and Project-Based Vouchers.

The VHA is considering public housing conversion options and may partner with other entities or developers for RAD and/or redevelopment. VHA is considering the possibility of demolition plus replacement activities as part of the public housing repositioning efforts they wish to pursue. VHA has also designated or applied for approval to designate and may elect to apply to designate public housing for occupancy only by the elderly families or only by families with disabilities, or by elderly families and
families with disabilities or may elect to apply for designation for occupancy by only elderly families or only families with disabilities, or by elderly families and families with disabilities. VHA is also looking at repositioning options and may convert some public housing to Tenant Based Assistance. The VHA is not currently operating but is considering repositioning options for public housing units and may decide to operate a Section 8 Project-Based Voucher Program. The VHA is going to put out an RFP to gauge interest and potentially award HCV Vouchers to be converted to Project-Based Vouchers.

**Actions to encourage public housing residents to become more involved in management and participate in homeownership**

The VHA recognizes that communities and families are strengthened through homeownership and the Victoria Housing Authority will continue to promote and provide the Section 8 homeownership program through support from partner organizations.

**If the PHA is designated as troubled, describe the manner in which financial assistance will be provided or other assistance**

The City of Victoria’s Public Housing Authority is not designated as troubled.

**Discussion**

Currently, the Victoria Public Housing Authority does not have any plans to increase the number of public housing units or the number of Section 8 Vouchers, within the 2022 - 2023 program year. The Victoria Public Housing Authority does have two private corporations that offer affordable housing to low- to moderate-income individuals. The housing authority’s corporations are exploring the options to acquire additional property to develop additional affordable rental housing units. However, there no immediate plans or any planned projects at the time.
AP-65 Homeless and Other Special Needs Activities – 91.220(i)

Introduction

The topic of homelessness continues to gain attention in the City of Victoria. City Council and the community seemed to be split on how the City should address homelessness within the City. A major discussion of developing an ordinance to address the homeless population within the City limits was brought before Council. The main topic of developing the ordinance was to prevent the homeless population from camping in front of residential areas. Council did not take this issue lightly and conducted continuous research before coming to a decision on the matter. Those who supported the ordinance believed it was for the good of the neighborhoods and a necessary safety precaution for those residents dealing with trespassers on their property. While those who were against the ordinance, believed the ordinance was making our homeless population more vulnerable and with nowhere to go. This discussion brought out the need for more homeless shelters and alternative housing for those experiencing homelessness. It also brought out the need for more mental health facilities, as many who experience homeless may suffer from mental health issues. Gulf Bend MHMR Center is receiving PY 22 funds for a program related to mental health. The City of Victoria will continue to be a part of the Victoria Area Homeless Coalition. The coalition is made up of numerous State, Regional, and local non-profits, educational institutions, veteran aid agencies, the housing authority, and local governmental bodies. Being a part of the coalition, allows the City the opportunity to collaborate with agencies on developing solutions on how to help the City’s homeless population and getting a better understanding of the homeless populations needs. The City will continually support the Coalition and those agencies that serve the homeless and provide services to prevent homelessness. The City anticipates using CDBG funds when available to support homeless services and homeless prevention services, if funds are not available, the City will look at alternative ways to collaborate with these agencies such as waiver of fees, in-kind services, or professional services.

Describe the jurisdictions one-year goals and actions for reducing and ending homelessness including

Reaching out to homeless persons (especially unsheltered persons) and assessing their individual needs

City staff members officially participate in the Victoria Area Homeless Coalition in the including the City Manager’s Office, Development Services- Planning and CDBG Staff, along with Victoria Police Department.

City staff participates in the Point-in-Time count for the City of Victoria every year. The Point-in-Time Count is performed under the leadership of Victoria Area Homeless Coalition along with Mid-Coast Family Services the area’s local Continuum of Care recipient located here in Victoria. Their mission is to unite community efforts comprehensively to prevent and address homelessness and to educate the community about it as an issue. These organizations currently recommends services and seeks resources for those in
need.

The City of Victoria are not covered under the Texas Balance of State Continuum of Care run by the Texas Homeless Network. However, a local non-profit known as Mid-Coast Family Services does qualify for the Continuum of Care funds provided through HUD. City staff consulted with both Mid-Coast Family Services and THN in the preparation of the Consolidated Plan in 2020, and received information from THN for this Action Plan.

The City will continue to support local service agencies that serve the homeless and provide services to prevent homelessness, using CDBG entitlement funds. The City plans to support, through public service funds, programs such as utility assistance to low- to moderate-income individuals to them enough funds to assist in maintaining enough funds to pay their mortgage/rent to prevent them from becoming homeless. The City will also assist in providing backpack to school age children to assist those family who are experiencing homelessness with essential nutrients needed to help them with everyday challenges.

The City will continue to be a part of the Victoria Area Homeless Coalition to assist with continued communication efforts between the City and its homeless population. Also, the City part takes in the Point-in-Time count every January. This gives City staff the opportunity to reach out to the City’s homeless population to gain a better understanding of their needs. The City attends various neighborhood coalition meetings, made up of community members, including those who may be suffering homeless or have experiences homelessness in the past to gain their feedback on the needs of our homeless population.

**Addressing the emergency shelter and transitional housing needs of homeless persons**

In the past, the City has partnered with local non-profits on public facility projects to remodel and expand existing emergency shelters and transitional housing. The City will continue to collaborate with non-profits who seek public facilities funds to create, rehabilitate, or expand emergency shelters and transitional housing. The City understands there is a need for a woman’s and family emergency shelter, as there is currently only a men’s emergency shelter. The Salvation Army houses the men’s shelter in Victoria and currently only has one room for a family that is usually limited on the length they can stay. They currently do not house any women on an emergency basis.

**Helping homeless persons** (especially chronically homeless individuals and families, families with children, veterans and their families, and unaccompanied youth) make the transition to permanent housing and independent living, including shortening the period of time that individuals and families experience homelessness, facilitating access for homeless individuals and families to affordable housing units, and preventing individuals and families who were recently homeless from becoming homeless again

The City will continue to collaborate with such agencies as Mid-Coast Family Services, Salvation Army, Promise Pointe, and Perpetual Help Home, which provide services to homeless individuals transitioning
back into permanent housing.

Helping low-income individuals and families avoid becoming homeless, especially extremely low-income individuals and families and those who are: being discharged from publicly funded institutions and systems of care (such as health care facilities, mental health facilities, foster care and other youth facilities, and corrections programs and institutions); or, receiving assistance from public or private agencies that address housing, health, social services, employment, education, or youth needs.

The City will also be supporting a mental health agency, who assist mentally disabled individuals who may have been experiencing homelessness transition back into normal living environment and gain self-sufficient life skill qualities.

Discussion

The City of Victoria will continue to provide CDBG funding to assist with the homeless and special needs when available. If funds are unavailable, the City will explore other forms of assistance it can provide to address the needs of the City’s homeless and special needs population.
AP-75 Barriers to affordable housing – 91.220(j)

Introduction:

Housing affordability is a key component to the quality of life of the City of Victoria’s residents. Several factors create barriers to affordable housing, which HUD defines as no more than 30% of a household’s gross annual income is spent on housing, including utilities. A housing cost burden exists when the household’s housing costs exceeds 30% of their income. The City has identified the following Impediments to Fair Housing (AI): • a lack of affordability and insufficient income; • a lack of public awareness of fair housing rights; • limited resources to assist lower income, elderly and indigent homeowners maintain their homes and stability in neighborhoods; • Insufficient income for the local cost of housing; • Additional affordable rentals for residents earning less than $25,000; • Starter homes and family homes priced near or below $200,000 and increased ownership product diversity; and • Improve condition and accessibility of existing housing stock.

Actions it planned to remove or ameliorate the negative effects of public policies that serve as barriers to affordable housing such as land use controls, tax policies affecting land, zoning ordinances, building codes, fees and charges, growth limitations, and policies affecting the return on residential investment

The City continues to explore ways to remove barriers to affordable housing. The City currently offers residents a Sidewalk Agreement and Covenant allowing them to develop their residential property without having to install a sidewalk, which is required for all new developments. The City also provides residents an option to apply for deed approval when developing new residential structures in lieu of platting if they meet the added requirements for deed approval. The City is in the middle of drafting their new Unified Development Ordinance and is taking such barriers into consideration and considering ways to lessen those barriers. Additionally, the City’s Housing Finance Corporation is actively working on the development of affordable rental units within the City of Victoria. During Plan Year 2022, a new affordable housing multi-family apartment complex known as Enchanted Gardens will open bringing approximately 180 new affordable rental units. The City anticipates breaking ground on a second affordable housing multi-family apartment complex which would bring approximately 360 new rental units during Plan Year 2022.

Discussion:

During the 2022 – 2023 Annual Action Program Year, the City plans to address some of the barriers to affordable housing. The City plans on reestablishing its Down Payment/Closing Cost Mortgage Assistance Program. This program will assist low- to moderate-income citizens, who qualify for mortgage loan to become homeowners, with either down payment assistance and/or closing cost to ensure they qualify for their loan. This program will help provide sustainability to those low- to moderate-income individuals by assisting them in obtaining more permanent housing. This program will look to help one barrier to affordable housing. The City is also, planning to continue its demolition program, which assist citizens
demolition substandard structures located in CDBG block groups areas, allowing for redevelopment of the land for new residential structures. Although this program will not eliminate the barriers to affordable housing, it will make more homes affordable, and accessible to low- and moderate-income families. This program addresses neighborhood deterioration. City staff participates in a yearly seminar regarding the Pathways to Affordable Housing, which lays out the different housing options and services provided by local public services agencies within the community. The City hopes to present information on their new Down Payment/ Closing Cost Mortgage Assistance Program that will be available to low- to moderate-income, first-time homebuyers.
AP-85 Other Actions – 91.220(k)

Introduction:

This section will describe the City’s plan to use 2022 program funds to address obstacles to meeting underserved needs, foster and maintain affordable housing, evaluate and reduce lead based paint hazards, reduce the number of poverty-level families, develop institutional structure and enhance coordination between public and private housing and social service agencies.

Actions planned to address obstacles to meeting underserved needs

The most significant challenge to meeting underserved needs in the coming year will be meeting the increased need for program activities with a limited amount of funding. To overcome this significant challenge, the City will work more efficiently, seek a higher level of collaboration with other agencies and organizations, and aggressively seek opportunities to leverage CDBG funds. The City will collaborate with Habitat for Humanity in performing rehabilitation on owner occupied housing in order to make affordable housing more sustainable for those to lower income residents. This collaboration in rehabilitation will hopefully free up household funds for residents to put to their other needs such as utility, food, and transportation.

Actions planned to foster and maintain affordable housing

The City emphasizes seeing that decent, safe, affordable housing is available for low-income residents to the most significant extent possible. Rehabilitation of owner-occupied housing units is a high priority, as these efforts preserve affordable housing units and allow struggling residents to retain their home. Rehabilitation is particularly crucial for extremely low-income and elderly homeowners and may serve to prevent homelessness. The City will continue to use demolition funds to help improve the sustainability in CDBG Low-to Moderate-Income Census Block Groups. This demolition programs allows for the demolition of substandard structures in those Block Groups allowing the potential of new residential structures to be built in their place creating more sustainability for not only the new homeowner but the neighborhood as well. The City has begun to work with private developers and its own non-profit affordable housing corporation to collaborate on bringing more affordable apartments to the area by utilizing tax credits.

Actions planned to reduce lead-based paint hazards

The City will provide a copy of the “Protect Your Family from Lead in Your Home” booklet (also available in Spanish) as well as technical assistance to those household applying for assistances. Homes constructed prior to 1978 must pass a lead hazard evaluation inspection and submitted to the City prior to assistance. The City is also working on coordination with Victoria County Health Department on identifying lead-based paint hazards and the effects and impacts on low- to moderate-income families and individuals in hopes
accomplishing better education, programs, or solutions for being impacted by lead-based paint hazards.

**Actions planned to reduce the number of poverty-level families**

The City will continue to support programs that expand anti-poverty programs for both low-income families as well as families which may be threatened with poverty through homeless prevention strategies. The City of Victoria recognizes that the core of many social and housing problems relates to poverty. The objective of poverty reduction requires programming for broad areas, including increased accessibility of resources, job training and placement, public services, education, and necessary skills development. It is only through comprehensive, coordinated strategies that nurture skills and provide opportunities to gain and retain employment and thus improve the quality of life that people can improve their situation. Because the nature of poverty is complex and multi-faceted, the City will continue to allocate some CDBG funds for services to very low-income households. Research shows that some of these services may have a direct impact on lowering the poverty rate for family households.

**Actions planned to develop institutional structure**

The City has identified gaps in institutional structure for implementing the Consolidated Plan and methods to enhance coordination among housing agencies and social service providers. These gaps include a lack of sufficient resources, limited coordination between service providers, and the difficulty of social services agencies in obtaining Victoria-specific data. The gap in the institutional structure and service delivery system in Victoria was identified as the need for more and better information sharing among agencies and organizations that provide services. The City will suggest offering collaboration meeting times for applicants during the annual grant application workshop. The City continues to seek new partners and to enhance relationships with existing partners in City departments and social service agencies to improve and better coordinate the delivery of programs and services. The City will seek opportunities to leverage the limited available resources.

**Actions planned to enhance coordination between public and private housing and social service agencies**

The City of Victoria will continue to seek partnerships and to exchange information with local public service providers and economic development organizations by reaching out to meet with various organizations throughout the program year. The City is assisting with setting up meetings where the public housing organizations, private housing landlords, municipalities, United Way, and social service organizations can discuss the housing access obstacles facing persons with Housing Choice Vouchers (formerly Section 8) and VA housing vouchers. Housing inventory is down, and demand is up resulting in a dramatic increase in local rents. Renting to individuals without the added government paperwork is preferable to most landlords. This program is trying to build paths for housing voucher holders to secure
housing.

Program Specific Requirements
AP-90 Program Specific Requirements – 91.220(l)(1,2,4)

Introduction:

HUD has allocated $576,506 in CDBG Entitlement funds to the City of Victoria for Program Year 2022-2023.

The City of Victoria has not implemented or funded any activities or projects with CDBG funds that will generate program income. The City does not expect any program income this program year.

Community Development Block Grant Program (CDBG)
Reference 24 CFR 91.220(l)(1)
Projects planned with all CDBG funds expected to be available during the year are identified in the Projects Table. The following identifies program income that is available for use that is included in projects to be carried out.

1. The total amount of program income that will have been received before the start of the next program year and that has not yet been reprogrammed
   0
2. The amount of proceeds from section 108 loan guarantees that will be used during the year to address the priority needs and specific objectives identified in the grantee's strategic plan.
   0
3. The amount of surplus funds from urban renewal settlements
   0
4. The amount of any grant funds returned to the line of credit for which the planned use has not been included in a prior statement or plan
   0
5. The amount of income from float-funded activities
   0
Total Program Income:
0

Other CDBG Requirements

1. The amount of urgent need activities
   0

2. The estimated percentage of CDBG funds that will be used for activities that benefit persons of low and moderate income. Overall Benefit - A consecutive period of one, two or three years may be used to determine that a minimum overall benefit of 70% of CDBG funds is used to benefit persons of low and moderate income. Specify the years covered that include this Annual Action Plan. 80.00%

The City of Victoria does not plan to spend any of its CDBG Entitlement funding on urgent need activities this program year.

The City plans on continuing using 80% of its entitlement to fund programs and project benefiting low- to moderate-income individuals and households. While using the other 20% for its program

Annual Action Plan 61
2022

OMB Control No: 2506-0117 (exp. 09/30/2021)
administration. Should the City not use its full 20% administration it will reprogram the funds into the next year to fund low- to moderate-income families and households with CDBG eligible activities.

G. WORK SESSION:

H. EXECUTIVE SESSIONS:

All items listed in this section may be considered Action Items and City Council may take action on any item listed in this section without further notice.

1. Texas Government Code § 551.087, to discuss or deliberate the offer to a financial or other incentive to a business prospect that the City Council seeks to have, locate, stay, or expand in or near the territory of the City of Victoria and with which the City of Victoria is conducting economic development negotiations. Jesús A. Garza, City Manager.

2. Texas Government Code § 551.072, to deliberate the purchase, exchange, lease, or value of real property interests, due to the fact that deliberation in an open meeting would have a detrimental effect on the position of the City in negotiations with a third party. Jesús A. Garza, City Manager.

A quorum of the city council will be present at 107 W. Juan Llano St, Victoria Texas ("City Council Chambers"), and the city intends to have a quorum present at that location. The Presiding officer of the meeting will be present at City Council chambers, and that location will be open to the public. Other city council members may participate in this meeting by video conference, so long as their face is visible, and their voice audible to members of the public in attendance at City Council Chambers while that member is speaking.
* Regardless of the agenda heading under which any item is listed, any subject mentioned in any word or phrase of any item listed on this agenda may be deliberated by City Council, and such words or phrases are hereby added as additional subjects to be considered. Resolutions, ordinances, and other actions concerning any word, phrase, or other subject of this meeting include the regulation of animals, construction, signs, unsafe buildings, floodplains, land development, nuisances, mowing, sanitation, food establishments, manufactured house, itinerant vendors, outdoor sales, water conservation practices, and proposed changes to the City Charter. Any descriptions of property or amounts stated herein are descriptive and not restrictive, and property and amounts may be changed in the motions, actions, or documents without further public notice.

** In addition to the items listed under “Public Hearings,” every item on this agenda shall be considered a public hearing.

*** Any penalty ordinance of the City of Victoria or item which is funded by the current or next proposed City of Victoria budget, including, without limitation, any park, street, water pipe, sewer, drainage structure, department, employee, contract, capital improvement project, or real property interest of the City of Victoria may be discussed and deliberated as a City Manager’s Report, and the subject is hereby defined as such without further notice.

**** Any item on this agenda may be discussed in executive session if authorized by Texas law regardless of whether it is listed under “Executive Sessions” of this agenda, regardless of any past or current practice of City Council. Executive sessions herein are closed meetings, may include consideration of any item otherwise listed on the agenda, plus any subject specified in the executive session notice, and may include items under Texas Government Code Sections 551.071, 551.072, 551.073, 551.074, 551.076, 551.084, and/or 551.087. Executive sessions may be held at 165 W. Juan Linn, Victoria, Texas or such other location as determined by the City Council. This agenda has been reviewed and approved by the City Attorney’s office, and the presence of any subject in the Executive Session portion of this agenda constitutes a written interpretation of Chapter 551 of the Texas Local Government Code by the attorney for the governmental body indicating that said subject may be legally discussed in a closed meeting.

RE: 2022-2023 CDBG Public Service and Public Facility Grants

The City of Victoria is pleased to announce that applications for Public Service Assistance (PSA) and Public Facility (PF) grants under the Community Development Block Grant (CDBG) Program will open on April 4, 2022 and close on May 2, 2022. Funding for CDBG PSA and PF grants comes from the US Department of Housing and Urban Development.

CDBG Funding recommendations will be presented to City Council at the June 7, 2022 City Council meeting. The PSA and PF grants will be awarded to local established non-profits that serve the community:

The City will award approximately 15% of the City’s CDBG entitlement to PSA programs for new or expanded programs to address the areas of need within the City of Victoria. PF grant funds will also be available.

In order to provide guidance to interested non-profit agencies and other eligible entities, the City will host an in person workshop on CDBG PSA and PF grant funds. In order to apply for CDBG funds, a representative(s) from the interested organization must attend the workshop on Tuesday, March 22, 2022 at 10:00 AM.

F. CITY MANAGER REPORTS:

1. Deliver Certified Tax Roll to Mayor and City Council. Jesús A. Garza, City Manager.
   Agenda Item Memo - AIM-22-166 - Pdf

2. Deliver Fiscal Year 2022-2023 City of Victoria Proposed Annual Budget to Mayor and City Council. Jesús A. Garza, City Manager.
   Agenda Item Memo - AIM-22-160 - Pdf

G. WORK SESSION:

H. EXECUTIVE SESSIONS:

All items listed in this section may be considered Action Items and City Council may take action on any item listed in this section without further notice.

1. Texas Government Code § 551.087, to discuss or deliberate the offer to a financial or other incentive to a business prospect that the City Council seeks to have, locate, stay, or expand in or near the territory of the City of Victoria and with which the City of Victoria is conducting economic development negotiations. Jesús A. Garza, City Manager.

2. Texas Government Code § 551.072, to deliberate the purchase, exchange, lease, or value of real property interests, due to the fact that deliberation in an open meeting would have a detrimental effect on the position of the City in negotiations with a third party. Jesús A. Garza, City Manager.

A quorum of the city council will be present at 100 W. Juan Linn St. Victoria Texas (“City Council Chambers”), and the city intends to have a quorum present at that location. The Presiding officer of the meeting will be present at City Council chambers, and that location will be open to the public. Other city council members may participate in this meeting by video conference, so long as their face is visible, and their voice audible to members of the public in attendance at City Council Chambers while that member is speaking.
* Regardless of the agenda heading under which any item is listed, any subject mentioned in any word or phrase of any item listed on this agenda may be deliberated by City Council, and such words or phrases are hereby added as additional subjects to be considered. Resolutions, ordinances, and other actions concerning any word, phrase, or other subject of this meeting include the regulation of animals, construction, signs, unsafe buildings, floodplains, land development, nuisances, mowing, sanitation, food establishments, manufactured house, itinerant vendors, outdoor sales, water conservation practices, and proposed changes to the City Charter. Any descriptions of property or amounts stated herein are descriptive and not restrictive, and property and amounts may be changed in the motions, actions, or documents without further public notice.

** In addition to the items listed under “Public Hearings,” every item on this agenda shall be considered a public hearing.

*** Any penal ordinance of the City of Victoria or item which is funded by the current or next proposed City of Victoria budget, including, without limitation, any park, street, water pipe, sewer, drainage structure, department, employee, contract, capital improvement project, or real property interest of the City of Victoria may be discussed and deliberated as a City Manager’s Report, and the subject is hereby defined as such without further notice.

**** Any item on this agenda may be discussed in executive session if authorized by Texas law regardless of whether it is listed under “Executive Sessions” of this agenda, regardless of any past or current practice of City Council. Executive sessions herein are closed meetings, may include consideration of any item otherwise listed on the agenda, plus any subject specified in the executive session notice, and may include items under Texas Government Code Sections 551.071, 551.072, 551.073, 551.074, 551.076, 551.084, and/or 551.087. Executive sessions may be held at 165 W. Juan Linn, Victoria, Texas or such other location as determined by the City Council. This agenda has been reviewed and approved by the City Attorney’s office, and the presence of any subject in the Executive Session portion of this agenda constitutes a written interpretation of Chapter 551 of the Texas Local Government Code by the attorney for the governmental body indicating that said subject may be legally discussed in a closed meeting.
AGENDA ITEM MEMO

Meeting Date: August 02, 2022
Prepared For: Jesús A. Garza, City Manager, Members of City Council, Jeff Bauknight, Mayor
Staff Contact: Julie Fulgham, Director of Development Services
Department: Development Services

Subject: Approve and adopt the Community Development Block Grant (CDBG) 2022-2023 One-Year Action Plan and authorize the City Manager to submit all required documentation for the Fiscal Year 2022-2023 CDBG Program to the U.S. Department of Housing and Urban Development.

Background Information:
As an entitlement jurisdiction, the City of Victoria receives an annual grant from the U.S. Department of Housing and Urban Development (HUD) through the Community Development Block Grant (CDBG) program. HUD requires that grantees develop a strategic plan every five years called the Consolidated Plan (ConPlan) and, submit an annual action plan to HUD that describes how the City will use its annual CDBG allocation to address needs identified in the ConPlan. The 2022 Annual Action Plan is the third annual plan of the 2020-2024 Consolidated Plan cycle.

2022 Annual Action Plan
The 2022 Annual Action Plan identifies how the 2022 CDBG grant of $576,506 will be allocated to address the priorities and goals established in the 2020-2024 ConPlan. The City's 2022 entitlement grant award of $576,506 is proposed to be allocated to continue the City's goal of assisting low-and moderate-income residents through housing rehabilitation; neighborhood programs; local public service awards and public facility projects for local non-profits and eligible agencies; and housing rehabilitation programs.

The CDBG activities detailed in the One-Year Action Plan will support the following activities:

CDBG Budget Summary
Administration $115,301
Affordable Housing- Mortgage Assistance Program $10,000
Neighborhood Programs- Demolition (CDBG eligible area) $39,726
Public Facilities $325,476
Public Services $86,000
The City of Victoria must submit the One-Year Action Plan to HUD on or before August 16, 2022. HUD must approve the plan before CDBG funds are available for expenditure by the City. City Council approval is required prior to submission of the plan to HUD.

**Financial Impact:**
The City's CDBG program is a reimbursable Federal Grant. The funds expended through the CDBG program are reimbursed by HUD on a quarterly basis.

**Recommendation(s):**
Staff recommends adopting the CDBG 2022-2023 Annual Action Plan and authorizing the City Manager to submit to HUD and execute all contracts with HUD and sub-recipients.

## Important Dates

- **2022 – 2023 Annual Action Plan**
  - Public Comment Period from July 2, 2022 – August 1, 2022
  - Public Hearing and Final Approval of Annual Action Plan
    - August 2, 2022 – City Council Meeting
- **Deadline to submit the 2022 – 2023 Annual Action Plan**
  - August 16, 2022 – Statutory deadline to submit
Resolution No. 2022-139

THE CITy OF VICTORIA

A resolution approving and adopting the Community Development Block Grant (CDBG) 2022-2023 One-Year Action Plan and authorizing the City Manager to submit all required documentation for the Fiscal Year 2022-2023 CDBG Program to the U.S. Department of Housing and Urban Development.

Whereas as an entitlement jurisdiction, the City of Victoria receives an annual grant from the U.S. Department of Housing and Urban Development (HUD) through the Community Development Block Grant (CDBG) program;

Whereas HUD requires that grantees develop a strategic plan every five years called the Consolidated Plan (ConPlan) and, submit an annual action plan to HUD that describes how the City will use its annual CDBG allocation to address needs identified in the ConPlan;

Whereas the 2022 Annual Action Plan is the third annual plan of the 2020-2024 Consolidated Plan cycle;

Whereas the 2022 Annual Action Plan identifies how the 2022 CDBG grant of $576,506 will be allocated to address the priorities and goals established in the 2020-2024 ConPlan;

Whereas the City's 2022 entitlement grant award of $576,506 is proposed to be allocated to continue the City's goal of assisting low-and moderate-income residents through housing rehabilitation; neighborhood programs; local public service awards and public facility projects for local non-profits and eligible agencies; and housing rehabilitation programs;

Whereas the City of Victoria must submit the One-Year Action Plan to HUD on or before August 16, 2022; and

Whereas HUD must approve the plan before CDBG funds are available for expenditure by the City, and City Council approval is required prior to submission of the plan to HUD;

Now therefore, be it resolved by the City Council of the City of Victoria:

1. City Council hereby approves and adopts the Community Development Block Grant (CDBG) 2022-2023 One-Year Action Plan and authorizes the City Manager to submit all required documentation for the Fiscal Year 2022-2023 CDBG Program to the U.S. Department of Housing and Urban Development.

2. This resolution shall become effective immediately upon adoption.

ASSURANCES - NON-CONSTRUCTION PROGRAMS

Public reporting burden for this collection of information is estimated to average 15 minutes per response, including time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding the burden estimates or any other aspect of this collection of information, including suggestions for reducing this burden, to the Office of Management and Budget, Paperwork Reduction Project (0345-0040), Washington, DC 20503.

PLEASE DO NOT RETURN YOUR COMPLETED FORM TO THE OFFICE OF MANAGEMENT AND BUDGET. SEND IT TO THE ADDRESS PROVIDED BY THE SPONSORING AGENCY.

NOTE: Certain of these assurances may not be applicable to your project or program. If you have questions, please contact the awarding agency. Further, certain Federal awarding agencies may require applicants to certify to additional assurances. If such is the case, you will be notified.

As the duly authorized representative of the applicant, I certify that the applicant:

1. Has the legal authority to apply for Federal assistance and the institutional, managerial and financial capability (including funds sufficient to pay the non-Federal share of project costs) to ensure proper planning, management, and completion of the project described in this application.

2. Will submit the application to the Comptroller General of the United States and, if appropriate, the State, through any authorized representative, access to and the right to examine all records, books, papers, or documents related to the award, and will establish a proper accounting system in accordance with generally accepted accounting standards or agency directives.

3. Will establish safeguards to prohibit employees from using their positions for a purpose that constitutes or presents the appearance of personal or organizational conflict of interest, or personal gain.

4. Will initiate and complete the work within the applicable time frame after receipt of approval of the awarding agency.

5. Will comply with the Intergovernmental Personnel Act of 1970 (2 U.S.C. §§7324-7473) relating to prescribed standards for merit systems for programs funded under one or more of the 19 statutes or regulations specified in Appendix A of OPM's Standards for a Merit System of Personnel Administration (5 C.F.R. Part 505, Subpart F).

6. Will comply with all Federal statutes relating to nondiscrimination. These include but are not limited to: (a) Title VI of the Civil Rights Act of 1964 (P.L. 88-352), which prohibits discrimination on the basis of race, color, or national origin; (b) Title IX of the Education Amendments of 1972, as amended (20 U.S.C. §§1092-1093, and 1685-1686), which prohibits discrimination on the basis of sex; (c) Section 504 of the Rehabilitation Act of 1973, as amended (29 U.S.C. §764), which prohibits discrimination on the basis of handicap; (d) the Age Discrimination Act of 1975, as amended (42 U.S.C. §§9101-9127), which prohibits discrimination on the basis of age; (e) the Drug Abuse Office and Treatment Act of 1977 (P.L. 95-455), as amended, relating to nondiscrimination on the basis of drug abuse; (f) the Comprehensive Alcohol Abuse and Alcoholism Prevention, Treatment and Rehabilitation Act of 1975 (P.L. 94-409), as amended, relating to nondiscrimination on the basis of alcohol abuse or alcoholism; (g) Sections 502 and 507 of the Public Health Service Act of 1944 (42 U.S.C. §§290d-2 and 2260a-3), as amended, relating to nondiscrimination in the sale, rental, or financing of housing; (i) any other nondiscrimination provisions in the specific statute(s) under which application for Federal assistance is being made; and (j) the requirements of any other nondiscrimination statute(s) which may apply to the application.

7. Will comply, or has already complied, with the requirements of Titles II and III of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (P.L. 91-284) which provide for fair and equitable treatment of persons displaced or whose property is acquired as a result of Federal or federally-assisted programs. These requirements apply to all interests in real property acquired for project purposes regardless of Federal participation in purchases.

8. Will comply, as applicable, with provisions of the Hatch Act (5 U.S.C. §§1501-1508 and 7320-7328) which limit the political activities of employees whose principal employment activities are funded in whole or in part with Federal funds.

Prepared by OMB Circular A-102

Annual Action Plan
2022

OMB Control No: 2506-0117 (exp. 09/30/2021)

10. Will comply, if applicable, with flood insurance purchase requirements of Section 102(g) of the Flood Disaster Protection Act of 1973 (P.L. 93-234) which requires recipients in a special flood hazard area to participate in the program and to purchase flood insurance if the total cost of insurable construction and acquisition is $10,000 or more.

11. Will comply with environmental standards which may be prescribed pursuant to the following: (a) institution of environmental quality control measures under the National Environmental Policy Act of 1969 (P.L. 91-190); (f) notification of violation of Title 40 U.S.C. Chapter 98, Subchapter III (c) 40 U.S.C. §1173(c); (d) protection of wetlands pursuant to EO 11990; (e) development of flood hazard regulations in floodplains in accordance with ERC Act 1988; (g) enforcement of Federal actions in State (Clean Air) implementation Plans under Section 160(c) of the Clean Air Act of 1955, as amended (42 U.S.C. §7401 et seq.); (h) protection of underground sources of drinking water under the Safe Drinking Water Act of 1974, as amended (P.L. 83-223); and, protection of endangered species under the Endangered Species Act of 1973, as amended (P.L. 93-205).

14. Will comply with P.L. 95-348 regarding the protection of human subjects involved in research, development, and related activities supported by this award of assistance.

15. Will comply with the Laboratory Animal Welfare Act of 1966 (P.L. 95-664, as amended, 7 U.S.C. §2131 et seq.) pertaining to the care, handling, and treatment of warm-blooded animals held for research, teaching, or other activities supported by this award of assistance.

16. Will comply with the Lead-Based Paint Poisoning Prevention Act (42 U.S.C. §§4801 et seq.) which prohibits the use of lead-based paint in construction or rehabilitation of residences.

17. Will cause to be performed the required financial and compliance audits in accordance with the Single Audit Act, as amended, (A) Amendments of 1985 and OMB Circular No. A-133, "Audit of States, Local Governments, and Non-Profit Organizations."

18. Will comply with all applicable requirements of all other Federal laws, executive orders, regulations, and policies governing this program.

19. Will comply with the requirements of Section 106(g) of the Trafficking Victims Protection Act (TVPA) of 2000, as amended (22 U.S.C. §7104) which prohibits grant award recipients or a sub-recipient from (1) Engaging in severe forms of trafficking in persons during the period of time that the award is in effect; (2) Procuring a commercial sex act during the period of time that the award is in effect; or (3) Using forced labor in the performance of the award or subawards under the award.

PLEASE DO NOT RETURN YOUR COMPLETED FORM TO THE OFFICE OF MANAGEMENT AND BUDGET. SEND IT TO THE ADDRESS PROVIDED BY THE SPONSORING AGENCY.

NOTE: Certain of these assurances may not be applicable to your project or program. If you have questions, please contact the Awarding Agency. Further, certain Federal assistance awarding agencies may require applicants to certify to additional assurances. If such is the case, you will be notified.

As the duly authorized representative of the applicant, I certify that to the applicant:

1. I have the legal authority to apply for Federal assistance, and the institutional, managerial, and financial capability (including funds sufficient to pay the non-Federal share of the project costs) to ensure proper planning, management, and completion of the project described in this application.

2. I will give the awarding agency, the Comptroller General of the United States and, if appropriate, the State, the right to examine all books, papers, or documents related to the assistance, and will establish a proper accounting system in accordance with generally accepted accounting standards or agency directives.

3. I will not create or modify the use of, or change the terms of the real property title or interest in the site and facilities without permission and instructions from the awarding agency. I will record the Federal awarding agency directives and will include a covenant in the title of real property acquired in whole or in part with Federal assistance funds to assume non-discrimination during the useful life of the project.

4. I will comply with the requirements of the assistance awarding agency with regard to the drafting, review, and approval of construction plans and specifications.

5. I will provide and maintain competent and adequate engineering supervision of the construction site to ensure that the complete work conforms with the approved plans and specifications and will furnish progress reports and such other information as may be required by the assistance awarding agency or State.

6. I will initiate and complete the work within the applicable time frame after receipt of approval of the awarding agency.

7. I will establish safeguards to prohibit employees from using their positions for a personal or organizational conflict of interest of personal gain.

8. I will comply with the Intergovernmental Personnel Act of 1970 (42 U.S.C. §§4728-4753) relating to prescribed standards of merit system programs funded under one of the 16 statutes or regulations specified in Appendix A of OPM’s Standards for a Merit System of Personal Administration (5 C.F.R. 900. Subpart F).

9. I will comply with the Lead-Based Paint Poisoning Prevention Act (42 U.S.C. §§4801 et seq.), which prohibits the use of lead-based paint in construction or rehabilitation of residences.

10. I will comply with all Federal statutes relating to non-discrimination. These include but are not limited to: (a) the Civil Rights Act of 1964 (P.L. 88-352), which prohibits discrimination on the basis of race, color, or national origin; (b) Title IX of the Education Amendments of 1972, as amended (20 U.S.C. §§1681-1688), which prohibits discrimination on the basis of sex; (c) Section 504 of the Rehabilitation Act of 1973, as amended (20 U.S.C. §794), which prohibits discrimination on the basis of handicap; (d) the Age Discrimination Act of 1975, as amended (42 U.S.C. §§6101-6107), which prohibits discrimination on the basis of age; (e) the Drug Abuse Office and Treatment Act of 1972 (P.L. 92-255), as amended relating to non-discrimination on the basis of drug abuse; (f) the Comprehensive Alcohol Abuse and Alcoholism Prevention, Treatment and Rehabilitation Act of 1974 (P.L. 93-442), as amended, relating to nondiscrimination on the basis of alcohol or alcoholism; (g) §§523 and 527 of the Public Health Service Act of 1942 (42 U.S.C. §200e-1 and 200e-3), as amended, relating to confidentiality of alcohol and drug abuse patient records; (h) Title VIII of the Civil Rights Act of 1968 (42 U.S.C. §§3601 et seq.), as amended, relating to nondiscrimination in the sale, rental or financing of housing; (i) any other nondiscrimination provisions in the specific statute(s) under which application is being made, and (j) the requirements of any other nondiscrimination statute(s) which may apply to the application.
11. Will comply, or has already complied, with the requirements of Title II and III of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (42 U.S.C. §4601-4651) which provide for fair and equitable treatment of persons displaced or whose property is acquired as a result of Federal and federally-assisted programs. These requirements apply to all interests in real property acquired for project purposes regardless of Federal participation in purchases.

12. Will comply with the provisions of the Clean Air Act (42 U.S.C. §§7401-7507) and 40 CFR Parts 61 and 63 (National Emission Standards for Hazardous Air Pollutants) which limit the emissions of hazardous air pollutants from stationary sources.

14. Will comply with flood insurance purchase requirements of Section 102(a) of the Flood Disaster Protection Act of 1973 (P.L. 93-234) which requires recipients in a special flood hazard area in a participating program and to purchase flood insurance if the total risk of insurable construction and acquisition is $10,000 or more.

15. Will comply with environmental standards which may be prescribed pursuant to the following: (a) the National Environmental Policy Act of 1969 (42 U.S.C. §4321-107); and Executive Order 11514; (b) notification of wetlands facilities pursuant to 40 CFR 1.172(q); (c) protection of wetlands pursuant to 40 CFR 230; (d) evaluation of wetlands impacts in accordance with 40 CFR Part 196, section 196.1; (e) adequate and effective State management program developed under the Coastal Zone Management Act of 1972 (40 U.S.C. §1451 et seq.); (f) conformity of Federal actions to State (Clean Air) implementation plans under Section 170(c) of the Clean Air Act of 1990, as amended (42 U.S.C. §7401 et seq.); (g) protection of underground sources of drinking water under the Safe Drinking Water Act of 1974, as amended (P.L. 93-523); (h) protection of endangered species under the Endangered Species Act of 1973, as amended (P.L. 93-205).

18. Will cause to be performed the required financial and compliance audits in accordance with the Single Audit Act Amendments of 1984 and OMB Circular No. A-133, "Audits of States, Local Governments, and Non-Profit Organizations."

19. Will comply with all applicable requirements of all other Federal laws, executive orders, regulations, and policies governing this program.

20. Will comply with the requirements of Section 106(g) of the Trafficking Victims Protection Act (TVPA) of 2000, as amended (22 U.S.C. §7104) which prohibits grant award recipients or sub-recipients from (1) Enabling in severe forms of trafficking in persons during the period of time that the award is in effect (2) Involving a commercial sex act during the period of time that the award is in effect or (3) Using forced labor in the performance of the award or subawards under the award.

OMB Control No: 2506-0117 (exp. 09/30/2021)
CERTIFICATIONS

In accordance with the applicable statutes and the regulations governing the consolidated plan regulations, the jurisdiction certifies that:

Affirmatively Further Fair Housing -- The jurisdiction will affirmatively further fair housing.

Uniform Relocation Act and Anti-displacement and Relocation Plan -- It will comply with the acquisition and relocation requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended, (42 U.S.C. 4601–4655) and implementing regulations at 24 CFR Part 42. It has in effect and is following a residual anti-displacement and relocation assistance plan required under 24 CFR Part 42 in connection with any activity assisted with funding under the Community Development Block Grant or HOME programs.

Anti-Lobbying -- To the best of the jurisdiction’s knowledge and belief:

1. No Federal appropriated funds have been paid or will be paid, by or on behalf of it, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract or the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement;

2. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, it will complete and submit Standard Form L-117, "Disclosure Form to Report Lobbying," in accordance with its instructions, and

3. It will require that the language of paragraph 1 and 2 of this anti-lobbying certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and shall all subrecipients shall certify and disclose accordingly.

Authority of Jurisdiction -- The consolidated plan is authorized under State and local law (as applicable) and the jurisdiction possesses the legal authority to carry out the programs for which it is seeking funding, in accordance with applicable HUD regulations.

Consistency with plan -- The housing activities to be undertaken with Community Development Block Grant, HOME, Emergency Solutions Grant, and Housing Opportunities for Persons With AIDS funds are consistent with the strategic plan in the jurisdiction's consolidated plan.

Section 3 -- It will comply with section 3 of the Housing and Urban Development Act of 1968 (12 U.S.C. 1701u) and implementing regulations at 24 CFR Part 75.

City Manager  

Date  

Annual Action Plan  
2022  

OMB Control No: 2506-0117 (exp. 09/30/2021)
Specific Community Development Block Grant Certifications

The Entitlement Community certifies that:

Citizen Participation -- It is in full compliance and following a detailed citizen participation plan that satisfies the requirements of 24 CFR 91.105.

Community Development Plan -- Its consolidated plan identifies community development and housing needs and specifies both short-term and long-term community development objectives that have been developed in accordance with the primary objective of the CDBG program i.e., the development of viable urban communities, by providing decent housing and expanding economic opportunities, primarily for persons of low and moderate income) and requirements of 24 CFR Parts 91 and 570.

Following a Plan -- It is following a current consolidated plan that has been approved by HUD.

Use of Funds -- It has complied with the following criteria:

1. Maximum Feasible Priority. With respect to activities expected to be assisted with CDBG funds, it has developed its Action Plan so as to give maximum feasible priority to activities which benefit low- and moderate-income families or aid in the prevention or elimination of slums or blight. The Action Plan may also include CDBG-assisted activities which the grantee certifies are designed to meet other community development needs having particular urgency because existing conditions pose a serious and immediate threat to the health or welfare of the community, and other financial resources are not available (see Optional CDBG Certification).

2. Overall Benefit. The aggregate use of CDBG funds, including Section 108 guaranteed loans, during program year(s) 2022-2023 (a period specified by the grantee of one, two, or three specific consecutive program years), shall principally benefit persons of low and moderate income in a manner that ensures that at least 70 percent of the amount is expended for activities that benefit such persons during the designated period.

3. Special Assessments. It will not attempt to recover any capital costs of public improvements assisted with CDBG funds, including Section 108 loan guaranteed funds, by assessing any amount against properties owned and occupied by persons of low and moderate income, including any fee charged or assessment made as a condition of obtaining access to such public improvements.

However, if CDBG funds are used to pay the proportion of a fee or assessment that relates to the capital costs of public improvements (assisted in part with CDBG funds) financed from other revenue sources, an assessment or charge may be made against the property with respect to the public improvements financed by a source other than CDBG funds.

In addition, in the case of properties owned and occupied by moderate-income (not low-income) families, an assessment or charge may be made against the property for public improvements financed by a source other than CDBG funds if the jurisdiction certifies that it lacks CDBG funds to cover the assessment.

Excessive Force -- It has adopted and is enforcing:

1. A policy prohibiting the use of excessive force by law enforcement agencies within its jurisdiction against any individuals engaged in non-violent civil rights demonstrations; and

2. A policy of enforcing applicable State and local laws against physically barring entrance to or exit from a facility or location which is the subject of such non-violent civil rights demonstrations within its jurisdiction.
Compliance with Anti-discrimination laws -- The grant will be conducted and administered in conformity with title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d) and the Fair Housing Act (42 U.S.C. 3601-3619) and implementing regulations.

Lead-Based Paint -- Its activities concerning lead-based paint will comply with the requirements of 24 CFR Part 35, Subparts A, B, J, K and R.

Compliance with Laws -- It will comply with applicable laws.
