

## Victoria Civilian Police Academy Alumni Association Overview

The Victoria Civilian Police Academy Alumni Association is not a part of the Victoria Police Department, but operates as a stand-alone organization of citizens. The CPAAA is a nonprofit 501c3 organization. We are not bonded nor do we work as security guards.

Each year our organization awards several scholarships to either college students who are going to pursue a degree in justice or college students who are the children or spouse of a peace officer in Victoria County. Each year we award scholarships in amounts ranging from \$500 to \$1,000.

Our services are free, but donations to the CPAAA Scholarship Fund are graciously accepted.

### **Some of the Services the CPAAA Provides:**

- Parking on private property or parking lots
