Victoria Fire Department
FIRE MARSHAL’S OFFICE MARCH MONTHLY REPORT

PERMITS ISSUED
There were 29 total permits issued for March. This chart breakdown the numbers. It is always good to see fire alarms and sprinkler systems installed because it’s a good indicator of new business for Victoria.

FIRE INVESTIGATIONS
The Fire Marshal’s Office conducted three fire investigations for the month. 2 of which were undetermined (residential) and one accidental (tractor fire). No commercial fires were reported.

PUBLIC ENGAGEMENT
The Fire Marshal Office was involved in 4 events for the month, including an opportunity to speak with the UHV students about what the fire marshal office does and the dangers of impaired driving.
