Victoria Metropolitan Planning Organization FY 2023 Annual Project Listing

Public Hearing: May 13, 2025
Approval Date from the Policy Advisory Committee: June 10, 2025

PURPOSE OF REPORT

Under United States Code (USC) 49 Chapter 53 § 5303 k(7)B(i), Metropolitan Planning Organization's (MPO) are required to "publish or otherwise make available an annual listing of projects, including investments in pedestrian walkways and bicycle transportation facilities, for which Federal funds have been obligated in the preceding year..." 23 CFR § 450.334(b) requires that this listing, "be consistent with the funding categories identified in the MPO's Transportation Improvement Program." Obligated projects in this report are broken down the following four categories: highways, transit, bicycle and pedestrian, and other grouped projects.

This report provides an overview of the transportation planning and programming process and the resulting federal funding obligation of the Transportation Improvement Program (TIP) for the Victoria MPO's 2023 fiscal year (October 1, 2022 to September 30, 2023). Obligation is the Federal government's commitment to pay its fair share of the project cost. Obligation happens at the time when the project is executed, and the State of Grantee requests the funds. For Federal Transit Administration (FTA) projects, obligation occurs when the FTA grant is awarded. In summary, an obligated project is one that has been approved by the Federal government for reimbursement. Projects contained in the Annual Listing of Projects may not have been initiated or completed in the fiscal year.

METROPOLITAN PLANNING ORGANIZATION

The Victoria MPO, acting through the City of Victoria Planning Department and in coordination with the Texas Department of Transportation (Txdot), is responsible for coordinated, comprehensive, and continuing transportation planning for all modes of surface transportation in the Victoria Metropolitan Area. The Victoria MPO is governed by a 10-member Policy Advisory Committee comprised of elected and non-elected officials from the MPO's Metropolitan Area.
