

GETTING STARTED WITH Reader Zone

Join our reading program with our code:

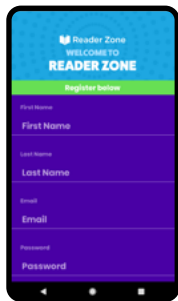

1

GET THE APP

Download the Reader Zone app from Google Play, the App Store or Amazon by searching for "Reader Zone".

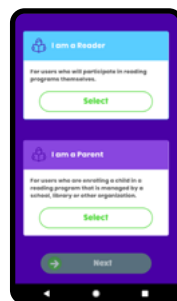

2

SIGN UP

Create your account by clicking "Sign Up". Enter your email and create a password.

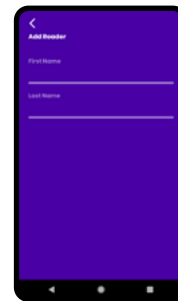

3

SELECT ACCOUNT

Select your account type. A Reader account is for one person.. A Parent account is for more than one person.

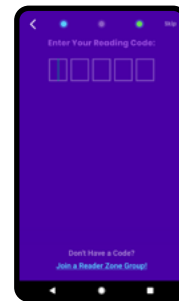

4

FOR PARENTS

For a Parent account, add your first reader by entering a first and last name. You can add more readers later.

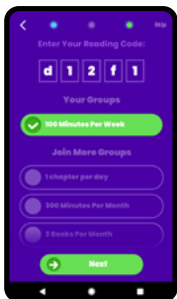

5

ENTER CODE

Enter the 5-character reading program code provided by your school or library.

6

READING GROUP

Select the Reading Group(s) you want to join. And click "Next".

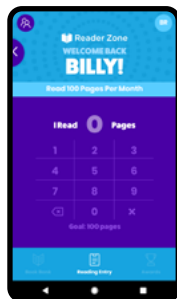

7

BOOK BANK

Enter the books you're reading and the books you've finished by using the search function. This step is optional.

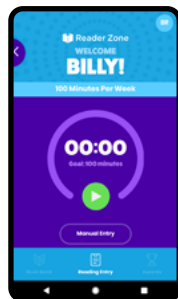

8

CLICK GO!

You're Ready to Read! Click the "Go" button to view your account and make reading entries.

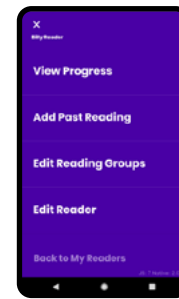

9

TRACK READING

Make a reading entry by entering the amount you've read. Reading groups that track minutes have a built-in timer.

10

MANAGE ACCOUNT*

Manage a reader account by clicking the blue circle icon on any reading entry page.

*On the "Manage Account" page you have access to a variety of tools such as "View Progress" where you can look back at all of the reading you have logged and you can "Add Past Reading" that you completed up to 10 days ago. From here you are also able to actively manage your Reading Groups and Reader Profile.
