APPLICATION FOR COIN-OPERATED AMUSEMENT MACHINE PERMIT(S)

Business Name: _____

Business Address: _____

Mailing Address : _____

GENERAL INFORMATION

All permits for coin-operated amusement machines are payable annually in advance. Prior to the placement by an owner of a coin-operated amusement machine in operation at a location, there shall be attached thereto a valid City permit for the machine. Each coin-operated amusement machine is subject to the annual occupation tax when placed in operation in the City. The following permit fee will be applied to a coin-operated amusement machine which is placed in operation in the City:

Permit Fee: \$15.00 per machine

Each coin-operated amusement machine shall be registered with the City by make, model, serial number and location. A permit issued by the city shall be affixed to each such registered machine.

INSTRUCTIONS FOR PREPARING MACHINE INVENTORY

Attach to this form a complete list by make, model, serial number and location of all the coin-operated amusement machines for which you are purchasing permits. **Do not** include coin-operated cigarette, service, and merchandise vending machines, or coin-operated amusement machines designed exclusively for children. Determine your total permit fee by multiplying the total number of machines by the \$15.00 permit fee.

With this application I am tendering the sum of \$ _____ for _____ coin-operated amusement machine permits.

CERTIFICATION

I hereby make application for City of Victoria permit(s) for the coin-operated amusement machine(s) which are listed on the attached machine inventory. I hereby certify that all information submitted in this application is true and correct.
